### Hatches, matches, & dispatches

No news in the first or last categories, however matrimonial fever appears to have taken over this famous Club. No sooner had news of the Editors' impending unions been broken, than vivacious cover-girl, & aerobics demon Meryl Chase announced her engagement, with a view to exchanging vows at the end of the year. We believe a new tandem has been ordered. From all at S.C.C. congrats to both Meryl & Homer.

p.s. There is no truth whatsoever in the rumour that Alan Lumb is considering similar Sacraments. Please refrain from pestering your Reporter in this regard.

### What a Sterling idea !

Former President, Club Member of the year, & antique sock collector, Michael Griffith, recently closed the Practice, & bundled himself, Carmel & the boys aboard flight KA16 to Perth, to view first-hand our Defence of the Auld Mug. As guests of Eileen & Alan, they spent several days aboard Black Swan, before recuperating on Rottneest.

### Wanderlust

Loveable Kiwi Lance Brannigan, Melanie, & former Sandgroper Nigel Rowe, are shortly to depart these shores, for a mountain-bike odyssey through the U.S. & Canada. They plan to use Vancouver as their base, & then make their way down the west coast of this vast Continent. Although only Members for about six months, their enthusiasm, & dedication will be sorely missed. Hurry back guys !

### Girls, Girls, Girls !

One of the Executives' goals for 1987 is to actively encourage an increase in female Membership. In this regard they are pleased to announce, & indeed welcome Jacqui Marshall, & Helen Markus. The former has recently moved to Sydney from Melbourne & is looking forward to the competitive season. Helen has already made her presence felt on various Club Rides, & in the Time-Trials. With Rosemarie, Meryl, Marjorie, Juel, & Pat, S.C.C. now has a formidable base of fine athletes.

### Paris-Brest-Paris

At the time of going to press, Alan Lumb is giving consideration to participation in the most famous Club Randonee in the World, Paris-Brest-Paris. Any interested parties should contact Alan on 344-8024.

### The Male Species

Senior Member, & La Perouse specialist, Jack "Jimmy Riddle" Browne, has provided the following social comment:-

From 20 to 30, if a man lives right,  
it's once in the morning, & twice at night,  
From 30 to 40, if he still lives right,  
it's sometimes in the morning, & less often at night,  
From 40 to 50, it's just now & then,  
From 50 to 60, it's heaven knows when,  
From 60 to 70, he's slightly declined,  
But don't let him fool you,  
it's still on his mind.

Sounds like a pretty disorganised training schedule to us Jack !

### Oxford Street influence

Colourful Retailer, & man about town, Michael Kamahl, can now be seen straddling the saddle most mornings in Centennial Park. Great to see you active again Michael, & particularly in such bright livery. But with matching saddle & bidon covers !

### The Marvels Of Surgery

Whilst on the subject of clothing, Al is gratified to report that Owen Lowe, & Bruce Vote are sporting new lycra shorts, after successful surgery to remove much travelled numbers.

### To be perfectly Frank

After a period in limbo, the Master of endurance, Frank Brandon, appears to be riding high again. Recent performances in the Time-Trials indicates possible higher honours.

ARE ANY MEMBERS AWARE OF FILTHY RUMOURS, INNUENDOS, SAVAGE SCANDAL, ETC. IF SO, PLEASE ADVISE AL FRESCO C/O S.C.C. P.O.BOX 538, BONDI JUNCTION, 2022.

In order to calculate average speed divide the distance i.e. 7.6km by the overall time, expressing seconds as a fraction of a minute, & then multiply by 60.  
e.g. Pat Israel. 7.6 divided by 12.16 equals .625.  
Multiplied by 60 equals 37.5km/hour.

## EDITORIAL

Enclosed with this newsletter is 'confirmation of jersey order' form. Michael Griffith needs payment in full A.S.A.P. before any run of jerseys will commence. If you have to change your order for the new jersey, let Michael know immediately.

Please note that if you are unfinancial, this is the last posting you will receive until the fees are paid up.

Alan Lumb made a sound point at the recent (and highly successful) club dinner. Thanks is definitely due to Steve T. for his efforts in re-establishing the Time Trial event in our club. This event is proving very stimulating.
