The Sydney Cycling Club has been approached by organisers of the Commonwealth Classic ("One of the most exciting sporting events I have covered - the Southern Hemisphere's answer to the Tour de France" ; John Hoggett , Daily Telegraph).

Although some members of the club's Committee were less than keen to commit themselves to this event , all recognised the value to cycling of this event , and the interest it has generated in the past .

A group , under the leadership of Bruce Vote , have begun to organise the marshalling and supervising of the Coogee stage ending at Coogee beach . This group is to be supported by local Council and Classic organisers . If you can assist Bruce in any way , particularly on Saturday , October 24 , please contact Bruce A.S.A.P. (ph 3999452) . The S.C.C. gains much kudos from such efforts as this , and gains support for their own event from Phil Bates and his crew (and others) . Your help will help our Club .

FROM MICHAEL GRIFFITH

Michael received an unsolicited jersey from the Melbourne manufacture who produced our other jersey . This tracksuit style , full-zip , jacket has the club jersey front with a plain back of the same material . The cost of this jersey is \$28. If you are interested in purchasing such a jersey as this , please send Michael a cheque for \$28 , and an indication of your size . Although the back's colour is not decided yet , give Michael an indication of your choice , so that a majority decision can be reached .

ANDY DOLDISSEN ON DIET

Andy reports that his blood test of recent weeks reveals that his cholesterol levels have been reduced to well below those recommended in the two articles (see last two issues). He has achieved this by simply reducing his intake of dairy products . Being more healthy is easy , it seems

SPENCER WHITE wishes to apologise for the absence of his GUITAR at the recent Club dinner . He looks forward to "playing for my friends" in the near future .

AROUND THE BAY ... The summer campaign of many club members has begun , notably the FiveDock sub-branch members. It is expected that attendance at organised rides will begin to improve . When did you last ride your trusty ?

RIDE TO ALBION PARK

Sunday 27 Aug '87

Well, what do you know???

We have a Club - riders, lots of them, participated in the one day tour, and they even had the same jersey on.

The excitement was frightening. Motorists pulled over to let us through; onlookers screamed with surprise: "look, it's a bird, it's a plane, no it's Super Sydney Cycling Club - ON TOUR!"

Mateship and camaraderie reached new heights - we actually all stopped together while Bruce fixed his puncture. That's jersey-power for you.

Kulchural dialogue filled the air at the Parisian-style sidewalk B.B.Q. coffee house at The Oaks. A crowd of two people stopped, stared and listened to the strains of "...pass a piece of cake, ya mug".

Onwards we rode to the Valley of the Hamburger & Toasted Sandwich where more multi-vitamin cappuccinos were ordered to sustain us through to Albion Park to catch the Fosters Express. Marjorie and Don, who normally ride in the opposite direction to us, were so impressed by the flash of the red, white & blue that they did wheelies & begged to join the Tour de Syd. More jersey power. Some riders had to abandon the tour early due to jerseys getting dirty - they didn't want to be seen again until the next wash.

All riders noted an increase in speed descending Macquarie Pass - this was clearly due to the elasticised hip-hugging jerseys.

Also, there were the usual poetic comments about the day being beautiful, no rain, stunning scenery, fresh air & country fragrances, no hang-ups and all that boring stuff.

At the end of the tour, no hamburger stains could be seen on the jerseys. Such pride! (Thanks, Mike).

A very special thanks to Janeen for the dedicated service as Tour Director-Sportif and sag wagon.

More power to you all.

MANY APOLOGIES ARE DUE TO SPENCER WHITE WHO PRIORITY PAID A LETTER TO ME EARLY IN SEPTEMBER . I HAVE BEEN WAITING FOR PROMISED ARTICLES SINCE THEN AND WILL WAIT NO MORE . AGAIN , TO SPENCER , I'M VERY SORRY TO HAVE NOT PUBLISHED YOUR SEPT. RIDE. OWEN...

PRESIDENT'S LETTER

November 24, 1986

An Executive Meeting of the Club was held last night. One very significant matter was discussed and the executive agreed that I would write a note to you all regarding it.

The matter discussed was that of public liability insurance. Probably the majority of us would not have a policy covering us if we were to injure a third party whilst riding. Even some of the normal householders policies which have third party cover have exclusions for such things as injury caused to others whilst participating in sports. Let's face it, there is an element of danger involved in riding. How many times have you heard of children running onto the bike track at Centennial Park. Personally I think it is essential to be insured.

Since early last year, the NSWACF have had a policy which covers all affiliated members up to \$5000000 for public liability. Michael Griffith has examined the policy for me. It covers all affiliated members during all cycling activities, i.e., social and touring as well. It would even include social events. Racing members are already covered in their annual subscriptions to the NSWACF. The Federation have a non-competitive division which has some policy coverage. The cost is \$11 per year. I strongly recommend all our members who are not affiliated to do so to gain this insurance. It really is a small cost to avoid what could be an expensive problem. Let me stress we are not asking for affiliation to be obligatory, if you are convinced you are already covered or that you do not need it, your membership status will not be affected. This is just a strong recommendation from your Committee. If you do decide to affiliate as a non-competitive member, please include the extra \$11 with your annual fee for 1987. You can give the fees to any committee member or send it to myself or Rosemarie.

Hope to see you all on the road this year.

SYDNEY CYCLING CLUB

COOGEE, 24TH OCTOBER 1987
SPECIAL BULLETIN COMMONWEALTH BANK CLASSIC

After the obvious success of the Sydney Criterium in Botanical Gardens we were invited to take part in the Coogee Stage finish of the Commonwealth Classic.

Subsequently, a committee of Bruno, Lumby, Rosemarie, Paul and myself was formed and met with Phil Bates, mainly to assess our involvement and be assured that we would not incur any expense. Both matters were resolved satisfactorily and we decided to proceed.

Here's what we need to do:

- * Provide about 20 marshals on the day from about 10 a.m. till 4.30 p.m. Only 10 will be required at any time so 20 will give lots of time off for food, drink etc. This did not seem to be a difficult commitment since we would probably have that number there watching the race anyway.
- * Take delivery of hired portaloos, furniture for VIP's etc.
- * Distribute pre race publicity material to local shopkeepers and residents (using mail drop service).
- * Take delivery of snacks and drinks from caterer and serve to VIP's

Here's what we get:

- * Free lunches and afternoon teas, and dinners on the day.
- * Commonwealth Bank Classic "T" shirt to identify marshall status.
- * Continued free support of Sydney Criterium in use of P.A. system and announcing in future years.
- * Opportunity to take part in a prestigious event which will receive wide publicity for the Club.
- * Financial return beyond reimbursement should we choose to involve our own labour in publicity distribution or catering and charge Bates the commercial rate for our services.
- * Complete reimbursement of expenses (this mailing is being paid for).

To acquaint you all further with the event, we have the "Sky Channel" video of last year which will be shown on Tuesday, 22nd September at 18 Caerleon Crescent, Randwick, drinks and supper provided, 7.30 p.m. start.
