GENERAL MEETING: 7 February 1989

There was a good attendance at our first meeting for 1989, at Bronte Surf Club. Early discussion centred around Cumberland College's Sports Clinic's programs. The first, a series of Athlete Seminars, is to be held on the second Friday of each month, starting on 10 February. Subjects addressed include sports psychology. Cost is \$20 per seminar unless booked beforehand, when it's \$15, and this includes supper. Phone 646-4644 with any enquiries. The second program discussed was their fitness testing, which includes individual muscular-skeletal appraisal and a personal injury prevention program. The cost is \$135 per person, if 3 or more members go. A number of members expressed interest, and will be tested later in February. We hope to have a report in the next newsletter.

The most immediate decision reached on the night was to start the Sunday Waterfall ride at the Randwick Technical College gates at 6.35, instead of at the kiosk. This will commence on 5 March 1989. See notice elsewhere in this issue. The meeting also decided that members would like a one-off longer time trial some time this year and referred it to the Committee for organisation. Also, due to the early Easter this year, serious training for the State T/T championship will commence after Easter.

The 7.30 Sunday ride for new and not-so-fit riders will, from March, be led by a senior rider each week, to help develop skills in bunch riding. Volunteers as leader included Juel, Ruth, Spencer, Peter Smith, Clay, Steve White, Bruce Lamb, Bob Greig, Alan Lumb and Greg Clarkson. Other interested members please let one of the Committee know. It was also noted that Neville Wran & Leo Schofield, both cycling sympathisers, are now members of the Centennial Park Trust.

EXECUTIVE MEETING: 15 February 1989

Arrangements for the auction were finalised, as were details for the Kangaroo Valley tour. A longer time trial will be held in June or July, depending on the racing calendar (when it becomes available). It will be held on the Hilltop course, on the loop road between Picton & Mittagong; the course will be 50 km for men and 25 km for women. We hope that members will bring families and a picnic lunch or BBQ for afterwards. Further details in a later newsletter.

The following people have been granted full membership:

3/46 Kareela Road,	8/1 Aston Gardens,	157 Gordon Street,

TIME TRIALS - AUTUMN SEASON OF THE RACE OF TRUTH HANDICAP EXTRAVAGANZA

What a great turn up for the first of the new season's time trials!! Just goes to show what a lay-off over the summer does for enthusiasm - what have all the members been putting their energies into without time trials, I wonder?

□ AT THE roadside in Alexandria the other day, a cyclist was spotted taking a call on his mobile phone, carried in his rucksack. Column 8 tracked him down. He's Mike Healy, an industrial real estate consultant with Kelly & Sons, who lost his driving licence for six months recently for drink-driving. "The magistrate at Manly did me a good turn," he said yesterday. Once a week, he dons singlet and shorts, packs his phone into his rucksack, and rides his \$500 bike through Alexandria, Mascot and Botany spotting potential customers. He likes it so much and it's been such a commercial success he will probably not need an office car when he gets his licence back. And he plans to enter a triathlon.

CHANGE TO SUNDAY WATERFALL RIDE

From Sunday 5 March 1989

It was decided by all members present at the General Meeting on 7 February 1989 that the Sunday Waterfall ride would start at the Randwick Technical College Gates, Centennial Park, at 6.35 am every Sunday from 5 March 1989, rather than at the Kiosk. As the Boys in the Bunch now start the 6.30 ride in Lachlan Street, all the hangers-on from that ride who still turn up in the Park are tagging along on our ride. If new riders or hangers-on do join our club ride, they are to be told to ride at the back until club members OK their bunch riding technique.

Apparently General Kesting laid down the law a couple of weeks ago, and it worked well. Good on you, Clay!!

Life after 40

SIR: There I was, tired legs clad in tight bicycle shorts, wearily pedalling my 41-year-old body up a slight incline.

The window of a sleek, red passing car lowered, a young female face appeared, turned towards me and yelled: "G'day spunky!"

Spunky! My mid-life crisis was over in a flash.

WEEKLY

ANOTHER SNOWY MOUNTAIN TALE....

THE JINDABYNE ADVENTURE

by Ruth Darling & Robyn Van Nooten

Those of us with annual or sick leave to spare headed down to Jindabyne on Wednesday 25 January. The party consisted of Brian, Ruth, newcomer Robyn, Clay, Juel, Victoria, Walter, Paul, Bruce Vote & our host, Alan Nolan. We were seeking four days of walking, cycling, mountain biking, swimming, canoeing, tennis & PARTYING. Luckily we had four perfect, glorious days of sunshine. The first morning, Australia Day, while Clay & Brian went out on their secret training run, the rest of us caught up on a few Zzzzzs from a tiring drive the previous night. Group consent decided on a walk through the National Park from Charlottes Pass, so we packed our lunches and headed for the High Country. The mountain flora was in full bloom and the peaks were blanketed in lush green grass with a sprinkling of beautiful white, purple & yellow alpine flowers. A return detour around the Blue Lake included bush bashing & snake hunting, eliciting many a scratchy groan from the wimps in the pack.

Day two, we went for a ride out to Eucumbene Dam. The masochists decided to ride out of Jindabyne; Juel, Victoria, Robyn & Brian took the "Alan support mobile". We met at the Eucumbene turnoff and had a pleasant 30 km ride over rolling hills, along a very good surfaced road. Unfortunately the teahouse at the dam was closed, so no tea & cake. Climbing out from the dam was awesome, however the return ride was excellent, and those of us who thrill to downhill speed rated the road into Jindabyne as 9 out of 10. After lunch we took two four-person canoes down to Lake Jindabyne where Running Clay & Walter Watha overflowed into one, and Robyn, Victoria & Ruth daintily squeezed into the other, with Alan paddling. A refreshing swim in the lake followed by cappuccinos & fruit flan finished off a perfect day.

On Saturday we took to the mountains again, this time by bike. We hired some mountain bikes, then headed for some gold diggings, which had a well-marked trail with good obstacles such as boulders, branches and potholes to really put our handling skills to the test. Everyone rapidly adjusted to the fat-tyred beasts; with Robyn's guidance we were all fairly accomplished "fat-tyre fliers" by the end of the ride. We continued across undulating ground whilst gradually gaining elevation, then stopped next to a stream for lunch. We took a different route back to the cars: this was down steep long slopes and while most of us were being careful a well-known maniac Swiss cyclist would come roaring past: no brakes, and not a fear in the world for rocks, branches and any unsuspecting reptiles in his path.

The next morning Paul set out to prove himself a real mountain roadie and climbed up to Charlottes Pass. However the real excitement involved a tennis match between two international stars Rolli & Darling versus the local Aussie pair Clarke and Van Nooten. no guesses as to which double won the match!! "Why worry, be happy". After a super lunch thanks to Juel & Victoria, we packed up and headed back to Sydney. Without question, all thoroughly enjoyed the action-packed weekend. On behalf of the group we would like to thank Alan Nolan for his superb hospitality, and the "Three-Way-Inn" in Jindabyne definitely gets a five-star rating.

EVERYONE: *SHUDDUP!!!*

BOB: *Alright, then ...*

Way clear for Chaney House seat

PERTH: A deal has cleared the
way to help the Liberals' Senator
Fred Chaney move to the House
of Representatives at the next
federal election.

His opponent for preselection
for the new safe Liberal seat of
Pearce, Mr Bob Greig, announced
yesterday his withdrawal from the
race and his support for the Senate
Opposition Leader.

Mr Greig, the defeated Liberal
candidate for the State seat of
Helena at the West Australian
election on February 4, told
Senator Chaney of his decision on
Friday.

In a letter to the senator, issued
yesterday, Mr Greig said he
believed a contest would be
damaging to the Liberal Party.

"The party endorsement for
Pearce has in my view implica-
tions for general voter perceptions
about the Liberal Party, not only
in Pearce and in Perth, but
throughout the State and the
nation," he wrote.

"Where a competitor has clearly
greater credentials than oneself
but may be less favoured by local
factors, one should defer to the
qualified and save the selectors
the agony and the possibility of a
mistake."

On Birriga Road:

GARBAGE MAN: *Morning, how're going?*

PETER SMITH: *Ask me again at the top.*

BILL CLEMENTS brought a little

Dear Bob, Janeen + the rest of the

 Keep-~~ing~~ fit I trust. Someone keep-~~ing~~
 -ing Brian + Allan honest I hope! Last
 Sunday we drove from Granada to Cordoba (Spain)
 and I was often reminded of the club + just
 how slack I have been to write. Well, the number
 of cyclists out in packs on the road to Cordoba
 was incredible - many budding
 P.D's I guess! Anyway I thought
 of you all on the way to back from
 water fall + hope it was fine with a
 tail wind home. The trip so far has
 been marvelous - perhaps just a
 bit too hectic, but I can't complain.
 At the moment I'm in Seville + soon will leave for Portugal
 before making my way to Madrid, then Paris, then home!!
 Oh, by the way, I've bought myself a little present in London but
 you will just have to wait till I'm back to know just what it is. Take care all. Bill.
