President's Report

Calling all Team Trialists! Yes, it's that time of year again. The annual NSW State Team Time Trial Titles are being held at Calga on August 27. We hope to be fielding two Men's Masters Div 1-3 teams and a Men's Masters Div 4+ team as well as a Women's team. If you're interested in completing for the Club at this event, please contact Steve Hobart. Structured training sessions will be held mid week to help prepare riders for the event. As I write this report, Tanya Bosch has started conducting Wednesday morning sessions for the women interested in competing. Thanks Tanya.

The Club had a great turnout for the Mudgee weekend. Many thanks to Meg Croft for the organisation. I'm only disappointed I didn't get there because I couldn't handle the long weekend traffic.

For all the tourists and racers, please put this date in your diaries now.....October 14 & 15. This is the weekend of the annual "Rosemount" open and Club tour of the Hunter Valley. You can tour or race Saturday, and tour Sunday. The race on Saturday is only 55kms over a relatively flat course. The touring is through the nicest parts of the upper Hunter Valley, taking in the area's wineries. A great weekend.

Dave McAlpin has been competing regularly at opens flying the Club colours. Hanging on to C grade in the National Cat 1 event, Goulburn to Camden for 160kms is no mean feat. If you think you'd like to compete in an open race, then Dave is the man to give you the best advice. He's also a level 2 coach!

The Club's regular rides are still getting large numbers attending, despite the cold weather and dark mornings.

On a sad note, both Steven Shein and David Bullock lost their fathers last month. I would ask you to join me in passing on our condolences to Steven, David and their families.

Phil

Scenes from the Tour De France

Editor's Column

Well here we are again, another month, another newsletter.

As you read this the Tour de France is very much under way. As this issues goes to print already the Aussies are shining with Stuart O'Grady taking a very close second place to Tom Steels on Stage 2, with Robbie McEwen in 7th position. Stuey backed up the very next day with a 5th place as well as participating in the daily sprint competition. Hopefully there's more news and photos next month when a couple of our members return from their overseas 'work related trips'.

As for the rest of the newsletter; what with financial EOY, GST and work commitments it's all a little light on. Hopefully I'll have some good stuff to report next month.

We do however have a quick report from **Sally Thomson** on the recent **Forster Women's Race** which a number of our club women attended.

Thanks also goes to our roving photographer **Andrew Price** for some photos from Round 2 of our Criterium Series.

There's a few other bits of local and overseas news but we're missing that club gossip! Come on folks; where's all the dirt?

Take care on the road.

Malcolm

The ASS Report

It's July, that truly wonderful month when cyclists (and even non-cyclists) get to thrill to the Tour de France.

Pastries in the Park

As well, this month we have "Pastries in the Park". Pastries in the Park is being held on Saturday July 8th between the hours of 8.30 am and 10.00am. The venue is Centennial Park, near Rob's kiosk and the scaffold-shrouded rotunda. I don't expect any pastries to be left after 10.00am., but you never know! If you are late getting back to the park, you

might get lucky!

It is being held in honour of several notable birthdays, Walter's Rolli's, my own half century, Eric Waddell's, John Rutherford's, Mal Lyons etc (sorry if I missed someone). For keen Tour followers, or those needing another reason to celebrate, July 7th is also four time green jersey winner Eric Zabel's 30th birthday!

What wicked treats can you expect? Well Apple things, and Danish fruit things and maybe Cheese pockets ... sounds tempting doesn't it! For those diet conscious souls who believe that virtue is it's own reward... goody, that leaves more for the rest of us! (you can always ride it off on Sunday)

Olympic Trivia in August

Coming up on August 15th we have Olympic Trivia. Venue and prizes yet to be finalised, so I'll let you know. Start studying now if you want to beat Bruce, Peter and Meg.

Vive le Tour!

Lea-Ellen

Stop The Press

O'Grady out of the Tour. As this edition was going to print, the overnight news is that Stuart O'Grady suffered a crash at the 122km mark of Stage 6 of the Tour de France. Although able to finish the stage (albeit last in considerable pain) it turns out he broke his collar in the fall and has had to withdraw. His big challenge now is to get the shoulder mended for the Olympics in September; only 8 weeks away!

Forster Women's Race Report

by Sally Thomson

Thought I'd pen a few words about the Forster women's race that a few of us attended.

There were Kate Rowe, Monique Batterham, Tanya Bosch and myself who headed north. The two day tour involved a 10km time trial and a 40 minute criterium on the Saturday then a 56km road race on the Sunday. The area is quite hilly and there was a good turn out of women as there were four grades to ride in. Tanya, Monique and I were in B grade while Kate was in C grade.

As some people may know I don't hold much affection for time trials and as a result I psyche myself up to do poorly. Anyway I didn't do too badly by coming 4th. I then had a woman pull her foot in the sprint of the criterium so I went nowhere in that! I wasn't my usual attacking self in the criterium – I should have worn the sprinters out when I had the chance. The road race wasn't too taxing except for having to avoid aberrant cyclists who couldn't handle their bike (it was very hairy during the criterium)! There were 4 tight witch's hat turns on the road course and if you weren't at the front for those you had a long chase as it took some women some time to get around the turns - I managed to be at the front by doing long turns beforehand.

I stayed with the bunch up all the hills and got on the wheel of an experienced racer who I knew was good at sprinting. I then held on for 4th in the sprint and 3rd overall in B grade.

Tanya and Monique weren't feeling up to scratch on the weekend and both finished mid field. Kate did well to finish 5th overall in C grade.

Local and Overseas News

Current national and international news (typically sourced from <http://www.cyclingnews.com>, <http://www.velonews.com> or <http://www.InfoCiclismo.com/>):

- ➡ Axel Merckx (Mapei) became National Champion thirty years after his father, Eddy, won the same title. Axel arrived alone at the finish line, where his father was waiting for him. Axel came in 31 seconds ahead of Frank Vandenbrocuke (Cofidis) and Rik Verbrugghe (Lotto), who finished second and third. For more info, check out Axel's web page at: <http://www.axelmerckx.com>
- ➡ News from the recent Meeting of the Cycling Australia Board of Management held in mid June and reported via <http://www.cycling.org.au/2000/June%20BOM.htm>

- ▶ **Cycling Australia Insurance Committee Interim Report** Committee Chairman, Mike Victor presented an interim report to the Board on the deliberations of the Insurance Committee to date. The committee is currently renegotiating the total CA insurance package including a review of benefits for all member categories. A key recommendation that was very clear from submissions received was to terminate individual club premiums for public liability and other coverage and in subsequent years, revert to incorporating all cover in the individual membership fee.

Another initiative from the committee was the introduction of a discount membership fee for new members who join in the second half of the year (post July). This proposal was endorsed by the Board.

The Insurance Committee will submit their final report at the August Council meeting.

- ▶ **Central Issue Licensing to Proceed.** As flagged after the last Board meeting, it was decided that the issue of licences will be processed and issued centrally from the CA office commencing with the 2001 membership year. The Board see this as an important initiative for the membership as it will provide a more expeditious format for licence issue in addition to providing a more modern and progressive service to the members with potential for added benefits in subsequent years. CA will invest in some capital purchases to facilitate the processing and will also be engaged in discussions with state associations over the next few months to ensure minimal impact as a result of the introduction of this new system.
- ➡ The board of Cycling Australia have announced the appointment of Shayne Bannan to the position of Head Coach, effective at the end of the year. Bannan, 38, will succeed Charlie Walsh in that role, as the latter will retire at the end of the year. Shayne Bannan has been involved in coaching Australian cyclists for over 14 years, and has been involved with the Australian Institute of Sport track, road and mountain bike teams since 1987.

News from the Bunch

Here's the general gossip from out and about. As always, reported (almost) anonymously and never letting the true facts get in the way of a good story!

- ➡ Only one bit of joviality this past month. During the editorial process last month your editor removed a couple of lines from the women's point score on the last page; purely to make it all fit on the one page. Well; very shortly after publishing a query from one of the 'dropped' females was received by the Race Sec. asking whether their status as a women had been revoked!! They were happy to hear the real reason :-)

Tour Down Under Expressions of Interest

The now annual Tour Down Under tour run by SCC member Pino D'Aguianno is attracting more and more interest. As such, Pino is asking that anyone who's considering going in January 2001 should contact Paul Rigby (see contact list for details) to register your expression of interest. Paul can then coordinate and reserve places. Remember, this tour is a great week and comes highly recommended, places fill fast so let Paul know to reserve your spot.
